

May 2021

*A Monthly Insight into our Elderly Care Community*

# Pheasants Ridge Press

## Our Residents

Our residents enjoy our themed happy hours.

In April, our staff even joined in on the fun for a 'Murder Mystery' happy hour. Dressing up like the characters of the board game 'Clue'.

Our story was told in the perspective of a resident but our clues were told by the murderer! Our residents, with the help of their 'Star Guest', put the story together and found out that- Mr.Green killed John with a candlestick in the lounge for continually losing the game of cribbage!

## BIRTHDAYS

**KAITLYN** ~ *May 3<sup>rd</sup>*

**MICHAEL** ~ *May 5<sup>th</sup>*

## ANNIVERSARIES

On April 23<sup>rd</sup>, **RILEY**, celebrated his 2 year Anniversary!

## HOME COOKED MEALS

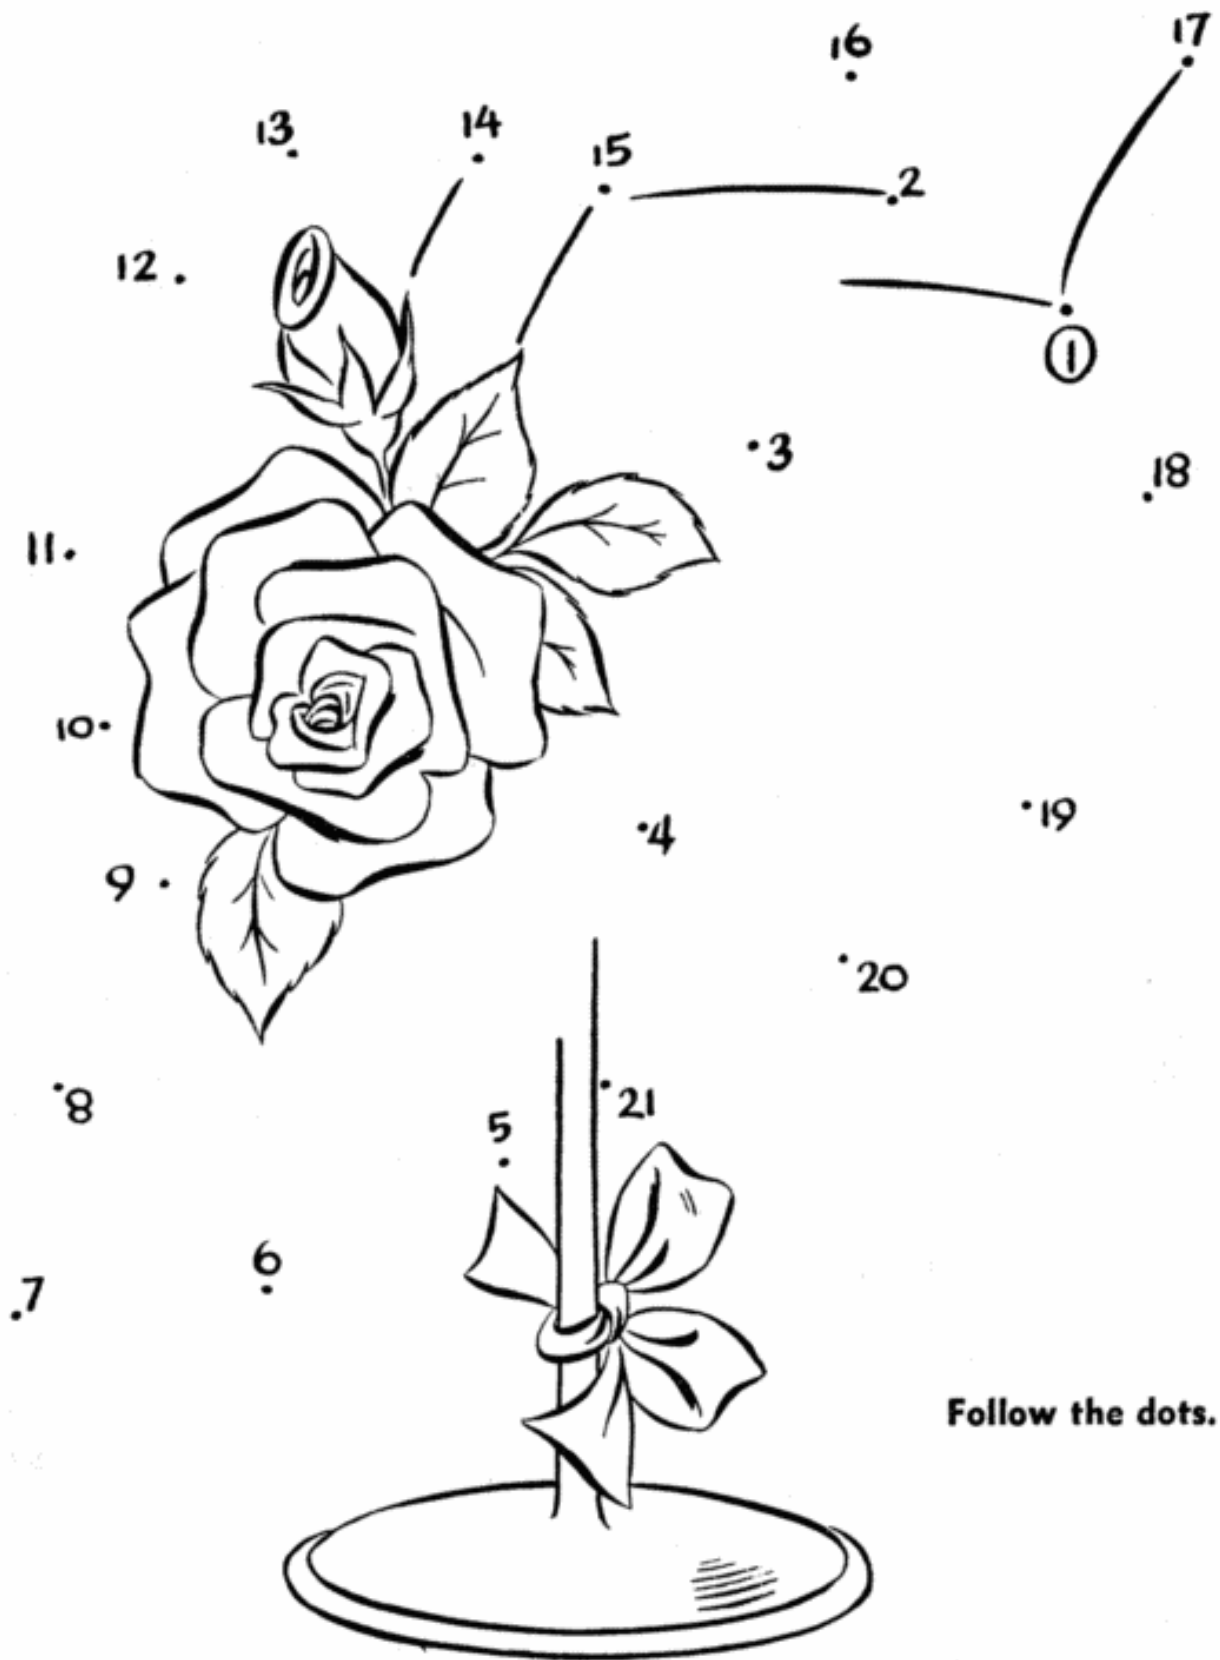

Did you know that our residents have the option to have three home cooked meals every day?! Our kitchen team works along with our Operations Manager to continually adjust a menu that fits resident desires! They even offer a 'Short Order Menu'- if by chance someone doesn't prefer the featured entree.

From homemade Chicken Dumpling Soup to Meatlovers Quichè, our cooks develop a caring relationship with our residents to best understand how they prefer their food prepared!

## April Staff Meeting:

For our April staff meeting, we had a guest speaker from Good Samaritan teach us about wound and skin care! Additionally, we stayed informed on new residents, status updates, and building projects!

Follow the dots.
