

APRIL 2022

Pheasants Ridge Press

Insight into our Elder Care Community

Have you ever Wondered, "What's the History behind April Fools?"

There have been questions about April Fools' Day's origin and history since long before some of us would even assume the day was observed. For example, back in 1708, the British Apollo magazine asked, "Whence proceeds the custom of making April Fools?" So, while it's rather fitting that the day itself would pull one over on us and end up with the last laugh, we do still have a very long history of April 1 references, as well as incredibly interesting established tradition around the world to commemorate this day

BLUE STONE ROUNDING ON APRIL 25TH, 2022

Can you spot the Difference?

Finish the Phrase

- A game of cat and.....
- Burning the candle at
- First come, first.....
- Beauty is only skin.....
