On July 4, 1776, the 13 American colonies declared their independence from the British monarchy. The 4th of July, aka Independence Day, has been a federal holiday since 1870 in the United States of America.

My hotdog is soggy
My burger is wet.
My chicken is dripping
I'm getting upset.

My corn on the cob
and my cole slaw and pie,
are so full of water I think I might cry.

My chips are like liquid,
along with my fruit.
My kids are all giggling,
they think that it's cute

I promis you this...
That's the last time
that let them play with the hose
on the 4th of July.
