

## **PHEASANTS RIDGE PRESS**

### **A LOOK INTO OUR COMMUNITY**

**September 2021**

## **New at Pheasants Ridge**

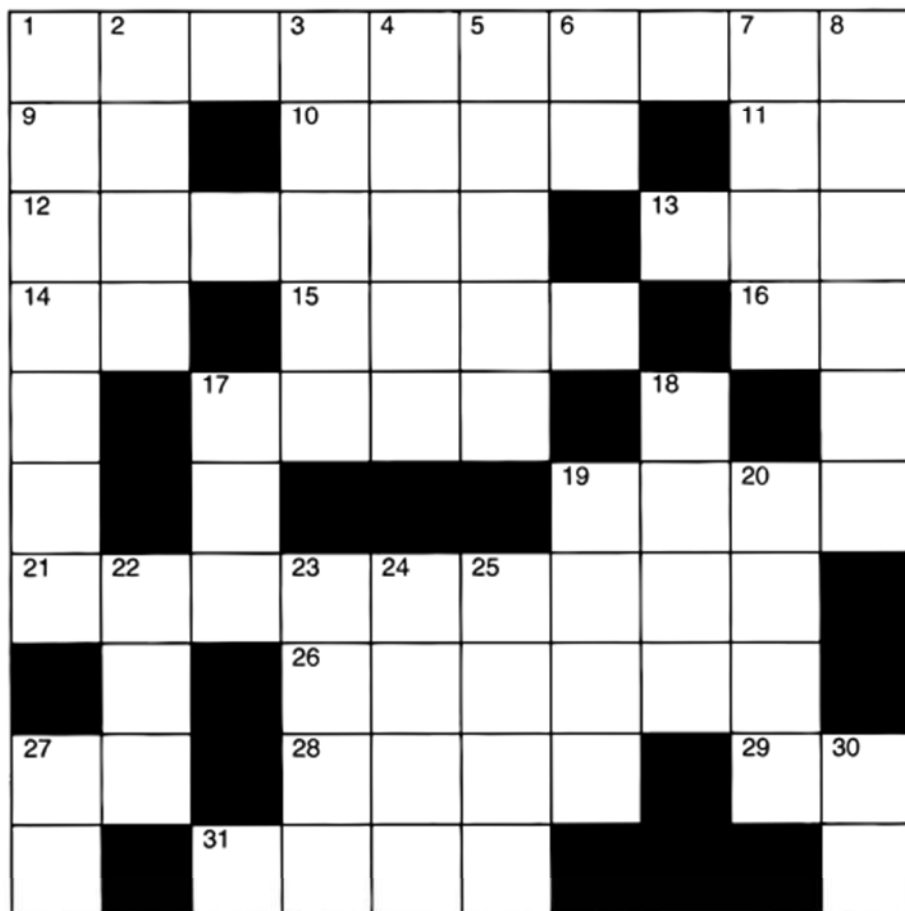

As of August 1<sup>st</sup>, Minnesota has an Assisted Living Licensure (ALL). Pheasants Ridge is happy to share we have been approved and are officially licensed! We are an Assisted Living with Dementia Care (one of under 600 in MN).

Previously, we held several licenses simultaneously (Home Care, Housing with Services, Kitchen) under which we provided housing and healthcare services to our residents. Applying and qualifying for this newly created licensure required hard work and the license is more costly than the previous licenses combined but the hope is it will result in more uniform resident experiences statewide.

Some of the (ALL) changes are highlighted below

- Revised policies & procedures
- Revised Emergency Planning
- **New resident contracts**
- **New resident Bill of Rights**
- Meal plans must be optional
- Please reach out if you have questions!
